From

J WEIR ESQ MA

Inspector General of Education in Mysore

To C S Balasundaram Iyer, Esq , B A ,

Offg Secretary to the Government of H H the Maharaja of Mysore, General and Revenue Departments, Bangalore

SIR

I have the honour to inform you that it has been proposed to open an Upper Secondary Vernacular course of two years and an Upper Secondary Training class of one year in the Maharani's College, Mysore The girls who have passed the Vernacular Lower Secondary Examination have already three courses open to them viz the Lower Secondary Training class, the Pandita course of three years, and the English classes, and the numbers attending these classes are all small To open an Upper Secondary course of three years would — involve an addition to the staff and make demands upon the accommodation of the College which ~~would~~ would be difficult to meet It is scarcely likely that such a course would attract a fresh supply of pupils, it is more probable that the girls who attended wouldbe drawn away from the other classes which are already very small Under the circumstances I do not think it advisable to open a full Upper Secondary course,

2. At the same time it is very desirable to try and attract into the teaching profession female students from the Maharani's College with higher qualifications than the Vernacular Lower Secondary certificate I therefore recommend that an Upper Secondary Training class should be started in the

College to which pupils should be admitted who have been reading in the College for not less than three years after passing the Vernacular Lower Secondary Examination At present there are some pupils who after reading English for some time have not made sufficient progress to warrant hopes of their ultimately reaching the Matriculation standard Such pupils naturally object to going to the Lower Secondary Training class as their attainments are much higher than those of girls who have just passed the Lower Secondary Examination, but it is believed that some of them would be willing to join an Upper Secondary Training class. The rules for admission to the Examination for the Upper Secondary Teachers' certificate could easily be modified to allow of the admission of candidates from this class

2. At present there is a vacancy on the establishment of the College owing to the transfer of Vengadamma to the ~~school~~ Aryabalikapathasala Bangalore As there was only one Intermediate Arts class in the College Department at the time, it was not necessary to fill up the vacancy, and so long as there is only one Intermediate class this provision of R$50/- will be available for a teacher for the Upper Secondary Training Class I request that Government will be pleased to sanction the opening of the class after the Summer holidays.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General
